

On behalf of:

The **Delaware Valley Power Quality Group** is a volunteer not-for-profit organization dedicated to providing a state of the art educational forum for the exchange of information pertaining to Power Quality issues and the most technically up to date products and practices.

Directions and map

The NEW Shady Maple Smorgasbord is located along PA Route 23, 8 miles west of Exit 22 (Morgantown Exit) of the PA Turnpike. From the Turnpike, follow the signs to Route 23. Shady Maple is on the south side of Route 23.

You are cordially invited to the

Delaware Valley Power Quality Group

to be held from 10:00 a.m. to 3:00 p.m. on
Wednesday, December 6th, 2000

***The NEW
Shady Maple Smorgasbord
Route 23
East Earl, PA***

Meeting Agenda:
Power Quality- An Educational Forum

Main Speaker:
**Mr. Mark Waller
President
The Waller Group, Inc.**

Power Quality – An Educational Forum

Speaker: Mr. Mark Waller- Mark Waller is a **nationally recognized speaker**

Mark Waller is the president of the Waller Group, Inc., a power quality consulting firm. Mark has extensive experience with UPS, power conditioning, data center construction, and infrastructure design. As the award winning author of three books and numerous magazine articles on Power Quality, Grounding and Harmonics, Mark is a sought after speaker and trainer in the field.

Over the past 12 years, Mark's activities have included four major areas: Design consulting and implementation, problem measurement and analysis, teaching and writing, and consulting to industry. Major design projects have included data centers up to 30,000 square feet, Internet ISPs, telecom, and backup power systems for large installations. As an industry consultant, Mark has helped many of the most well known manufacturers in the Power Quality/Power Conditioning industry, such as Best, APC, Powersmiths, Smart Power, Tripp Lite, PDI, and Exide.

Program Summary- Mark will discuss the following potpourri of power quality issues: *Single Phase Harmonics, Three Phase Harmonics, Harmonic Solutions, Lightning Protection, Surge Protection, Protection Issues- Normal and Common Mode, Grounding, and Power Conditioning/UPS.* Mark will include case studies in his presentation.

Come enjoy the Celebrated Shady Maple Smorgasbord in the brand new facility located behind the original restaurant. Meeting rooms at the new facility are separate from the restaurant area. However, you will still be able to enjoy the same large selection of luncheon items at the Smorgasbord.
