Power Quality Investigations and Audits

Program Description:

The presentation will cover the basics of conducting power quality investigations and audits including -

Typical PQ Problems and Symptoms

How to Conduct a PQ Survey

Tools and Equipment

Speaker: Mr. Thurman Bridgers, Dranetz-BMI

Mr. Thurman Bridgers has over 20 years experience in the power quality field. His blend of theoretical and practical experience provides an excellent basis for teaching power quality seminars and the use of power monitoring equipment. Prior to his becoming an Applications Engineer, Thurman was the Northeast Regional Sales Manger and was a Senior Technical Support Engineer where he assisted users in the setup of monitoring equipment, conducting PQ audits/surveys and consultation to help solve power quality problems. Thurman has taught many power quality seminars and is also one of the technical speakers for Dranetz-BMI's power quality seminar series that are held annually every spring and fall.
