Note! Due to the nature of this meeting involving a plant tour, **space will be limited.** No walk-in registrations will be permitted.

Attendees must wear attire and footwear suitable for touring an industrial facility. For those with accessibility concerns, the plant tour will involve about 2 hours of walking and some stair climbing. Safety glasses will be required during the tour and availability at the plant will be very limited so plan on bringing your own. Also, photography will not be permitted during the tour.

Finally, the meeting will begin with a 'meet and greet' at 9:30 a.m. with buses departing for the plant tour promptly by 9:55 a.m. Therefore, plan your travel anticipating this being a new location, weather and rush hour traffic conditions.
